TOUCH TOURNAMENT

On Thursday 8th November, the boys and girls Touch team went to Moire Park at Massey. The boys team played first against Woodhill - we won 4-1, they played a good first game. Next was the girls, we played Helensville and we won 1-0, that was a close game. Then straight after that was the boys again, they versed the boys team for Helensville and won 3-1. The girls played Riverhead next—we won again; the score was 2-0.

After that there was a big break for the girls. The girls and boys both got through to the finals. The girls played Hobsonville and won 2-1—it was a very close game. The boys played Lincoln Heights in the final and won 1-0. We went into golden point. So our school was undefeated throughout the North West Zone. It was a successful day and it was really sunny, and we would like to thank Mr Oldham and Mrs Sowter, and of course the parents for taking us there. By Brooke and Cameron

Dear Parents and Caregivers,

APPA SCHOOLS CHOIR FESTIVAL:

Congratulations to everyone in the Marina View School Choir who performed at the APPA Choir Festival last Tuesday evening. The whole evening was amazing and our choir sang beautifully—it is a very impressive performance by multiple school choirs joining together as one. Thanks to Mrs Sinclair for all her efforts with our school choir and for conducting the performance. Thanks also to teachers and parents who assisted on the evening.

TOUCH RUGBY:

Well done to the Year 5/6 and Year 7/8 Touch Rugby teams who played in the North West Cluster last week. All the children enjoyed the event, and we had great success. Please read the write up on the next page of the newsletter. Thank you to Mr Oldham and Mrs Sowter for all her work with the teams.

KAPA HAKA FESTIVAL:

Our school Kapa Haka group performed at the Waitakere Schools Multicultural Festival held at the Corbans Art Centre last week. The group impressed with singing, poi and haka on display. Thanks to Whaea Catherine and Mrs Anand for getting the group so well prepared for the Festival.

ROOM 16s ARCADE AFTERNOON

As part of our Big Business study Room 16 made an entertainment arcade out of cardboard and held an Arcade Afternoon for children in our school. I had an amazing time playing the games and so did all the children who got to participate. Well done Room 16. It was an awesome idea.
