Dear Parents and Caregivers,

CHARTER CONSULTATION QUESTIONNAIRE: WE NEED YOUR FEEDBACK!

We have recently revised our School's Charter to ensure that our educational direction is clearly aligned to the revised New Zealand Curriculum and meets our local community's needs. A copy of the Charter should have come home with your child, or can be found on the School's website www.marinav.school.nz.

It would be appreciated if you could take some time to read through the Charter and give us some feed back. If possible, could you please give us feedback through Survey Monkey <http://www.surveymonkey.com/s/ZVZB2QY>. If you are unable to do this please complete the form (available from the school Office by Monday 18th March 2013). **Thanks for your Feedback!**

UPDATED COMPUTER RECORDS:

From time to time the school will need to contact parents/caregivers. ***It is very important that we have up to date information regarding contact details for your child.*** If your details have changed would you please inform our school office, so we can update your records accordingly.

SOFTBALL AND T.BALL ZONE DAYS:

On Tuesday 5th March our Year 5/6 girls and boys Tee Ball teams took part in the North West Zone tournament. The boys finished 1st, going through the tournament unbeaten, and the girls lost a close final to Massey. Many thanks to Mr R. for his help on the day.

On Thursday 7th March, our Year 7/8 girls and boys Softball teams travelled to Moire Park to take part in the North West Softball Zone Day. The boys finished 1st and like our Year 5/6 Tee Ball team, were unbeaten. Although not a successful day for our Year 7/8 girls, they tried hard and if some umpiring calls had gone their way, would potentially have finished the day with 3 wins. Many thanks to Mrs Winters for her assistance.

Team Broadhurst recently had a trip to the Recycling Centre, and after Samuel Anderton went home and took plastic from the recycle bin and made a rocket so there was less waste in their bin. What great enthusiasm Samuel!

Kind Regards
Maurice Young (Principal)

TEAM BARNARD
MURIWAI TRIP

On Monday 11th March, Room 21 and half of Room 22 went on a beach education trip to Muriwai Beach. We all went into the new Clubhouse to learn all about rips, currents, and beach safety. After lunch we went down to the beach to play some fun games and have a sandcastle competition. The sandcastles had to be a sea creature. The group were in four teams,

Team One, Team Two etc. Team One made a turtle, Team Two did 'Leytina', Team Three did a Turtle, and Team Four did a Dolphin. In the end, Team

Four won. Then, they went back up to the Clubhouse to have a water fight.

Everyone got absolutely drenched! Everyone managed to learn new things while having fun. Many thanks to all our wonderful parents on the day.

Amy and Andrew—Room 21
