Dear Parents and Caregivers,

Board of Trustee Elections: The 2013 School Trustee Elections are underway. We have 6 nominations for the Board and we will be going to an election. You will shortly receive voting forms. Voting will close on 30 May at noon. Please take time to read the candidate statements attached and vote.

30 May: ELECTION DAY (voting closes at noon)
5 June: Results declared
6 June: BOT takes office

We look forward to working with our new Board of Trustees from the 6th of June.

Lockdown

After the incident over the Shore last week we thought it timely to remind everyone of procedures that we have in place for a Lockdown and what we ask parents/whanau to also do. If there is a Lockdown in the school, we will keep all children inside the classroom out of harms way. We would ask that if parents hear that the school is in Lockdown, parents do not try to come to the office and pick children up because this could cause problems. You will be informed when it is safe to enter the school grounds.

Special Thank You

A special thank you goes to **Kim Robinson** from **Face Up Realty** who sponsored the uniform dresses for our netball teams. This is a very generous sponsorship and the school is so appreciative of Kim's support.

New Junior Playground

The installation of the new Junior Playground is progressing well. It will not be long before the playground and matting are in place. Then we will doing a bit of landscaping to enhance the area even further. It will be a great new facility for the school when it is completed.

Junior children's Tunnel

We have completed the landscaping around the tunnel in the Junior courtyard. It looks great and the enhancement gives the children a fun new look to the bridge and tunnel.

How Things work and Lets Experiment

Children are getting right into their learning focussed around concepts of Science and Technology. There is a lot of wondering and creative thought taking place already. The Year 6 Rube Goldberg machines are amazing. I hope that you all had a lot of fun and challenge at home getting them to work so well.

Kind Regards,

Maurice Young (Principal)
