Dear Parents and Caregivers,

WELCOME TO TERM 3: We hope you enjoyed the holiday break with your families, and enjoyed the lovely weather that we were lucky to have. Welcome to our new families at Marina View School. We hope you have a great time with us.

PARENT MEETINGS: Parent, student and teacher meetings are taking place today. These meetings are an opportunity for parents, students and teachers to discuss your children's progress and achievement, and to set goals for the remainder of the year. We believe that students should be fully involved in these discussions, talking about their achievements and next steps. I also encourage you to continue having discussions about learning and your children's goals at home. This will greatly assist their learning at school. If you were unable to make these meetings, please contact your child's teacher to arrange a time to get together.

EDUCATION REVIEW OFFICE REPORTS MARINA VIEW AS A HIGH PERFORMING SCHOOL

We have just received the Education Review Office's findings regarding their recent visit to our school, and we are pleased to report that they view Marina View School as a high performing school. The report acknowledges strong governance, leadership and a supportive learning culture that promotes high quality learning for our children. It states that students are positive and confident members of our learning community. It also states that there are high expectations of student achievement and teacher practice and that we use highly effective strategies, to ensure that students know what they are learning and what they need to do to achieve. The report concludes, that our school is very well placed to sustain, and continue to improve. our performance. We are obviously very happy with the findings and look forward to the Review Office's next visit in four to five years. The full report will soon be available the ERO website. It can be found at www.ero.govt.nz
