"On Sunday at Martin's Beach 3 life savers went to the beach to work. There was a girl who was drowning. The girl called for help and the three boys on surf boards saved her. By Gabby"

"One Tuesday Jordan, Jacob and Tom went to Zacos Beach. It had really big waves and it was close to dark time. They heard a "Yah, Yah!" and Tom got captured by the Ewom who was half unicorn and half zombie. He captured Jordan too. He has a horn and he used his horn to make a hurricane. Jordan tasted some horrible gas and his mouth was covered in gas. They felt happy. They found a net and when the Ewom wasn't looking they put it over the Ewom and they lived happily ever after. By Jacob"
