Dear Parents and Caregivers,

YEAR 5 and 6 PARENT INFORMATION EVENING:

As advised by an earlier letter, a reminder that on **Thursday 26th June from 6.30pm—8.00pm**, we are holding a Parent Information Evening in Room 29, for our Year 5/6 students/parents/caregivers. We will be informing you about what will be happening for your children when they enter the Year 7 and 8 area of the school. There are some significant changes when children reach Year 7 and 8, so we hope the evening will give you a good insight into the range of activities and leadership opportunities the children undertake. If you have any queries, or are unable to attend the meeting, please feel free to contact Cara Bergin-Stuart on 417-0007 Ext 704.

IMPORTANT NOTICE -TUESDAY 1ST JULY 2014 - MINISTRY OF EDUCATION ROLL RETURN

If your child is away (or going to be away) from school on Tuesday 1st July 2014, we ask that parents write a note (emails also acceptable to absences@marinav.school.nz) advising of their child's absence, and hand it to the school office. This is because we collate information for the Ministry of Education on 1st July every year. Thank you very much for your co-operation.

A story from Team Broadhurst's visit to Stardome

Once upon a time there was a man, and he wanted to go to space. So he built his rocket. The rocket took ages to build. Then he put on his space suit he blasted off into space. When he got to the moon he had a surprise. There was an alien he quickly went in his rocket...but he wasn't quick enough. The alien was going to cook him. But he was really a nice alien. All he wanted was a friend to play with. He had just been so mean because the astronaut was being so mean too. Then the astronaut apologised. He went back to the Stardome... but no one was there it was dark and quiet aaaaa.... there was a surprise. Everyone came out of their hiding spots. It was a welcome back party. They all had fun and he told stories about his Journey to space. But then the aliens came to Earth. Everyone screamed "AAAAA!!!" But then they went back to the moon. The aliens and the people lived happily ever after.
