**Dear Parents and Caregivers,**

**REFUND OF SCHOOL DONATION:** Congratulations to the Stella Ferreira Year 5 student, whose name was drawn out to receive a refund of their school donation. This was drawn from the school donations that were paid in full and received before 31st March 2015.

**DROPPING OFF AND COLLECTING CHILDREN ON PICASSO DRIVE:** We ask that when you are dropping off or picking up children, please make sure that you do not park over people's driveways. It can be very frustrating for our neighbours if they try to leave or enter their properties and someone has blocked their way. **Children being collected after school.** School finishes at 3.00pm, so we ask please that you collect your children at this time. We often have children waiting after 3.00pm for quite a while to be picked up. Thank you for your help with this.

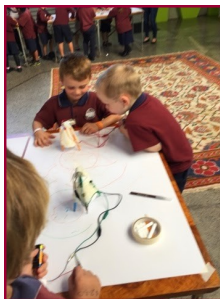

**NORTH WEST YEAR 7/8 GIRLS FOOTBALL CHAMPIONSHIP:** Our Year 7/8 girls football team travelled to Huapai Domain on Thursday 14th May, to take part in the North West Zone Tournament. The team progressed through to the knock-out stage without a goal being scored against them, and it wasn't until the last 5 seconds of extra time, in their semi-final, that the ball crossed their goal line. It was wonderful to see both player commitment and improvement, as the day progressed. Many thanks to the parents who provided transport and support.

## YEAR 1 TRIP TO MIND LAB:

*"Yesterday we went to Mind Lab on a bus. When we got there we put our bags away. We went to learn how toys move. Eros taught us how to make Scribblebots. They were drawing. We made Scribblebots with legs and eyes and a mouth and a nose. The Scribblebots could draw on paper. We had lunch there. Later on we had to clean up and pack up our bags. We said 'thank you' to Damon and Eros. We then went back on the bus. I was happy."*

## FROM THE BOARD OF TRUSTEES

Hi parents. Here is an update from the BOT May 25th meeting. Key points are:

- \* The BOT has commenced the process of reviewing and updating the school's Strategic Plan for 2016.
- \* The BOT has approved funding to commence work on a new Technology Room and upgrade of targeted classrooms to modern learning environments. We aim to have this work completed within the current school year.
- \* The BOT has endorsed concept plans for an upgrade of the Administrative building. This is to facilitate better admin, sick bay, parent meetings, and staff room facilities and will go to tender in the coming weeks.
- \* The BOT approved a Health & Safety review of the school's H&S Policy and Procedures to ensure the school complies with new H&S legislation. Our school Management has been meeting and engaging with other local schools in order to promote ongoing educational engagement and co-operation in our community. This includes Hobsonville Primary and Hobsonville High School.
- \* The BOT reviewed an audit report of the schools financial records. The schools financial management and procedures are of a high standard. David Bacon - Board of Trustees
