LEADERS TALK

"You have to be able to lose well to win well"
 Thank you to James Coughlan - a player in the NZ Blacksticks who came to speak to the Y7/8 Leaders about himself and how he got to where he is today. He inspired our Y 7/8 Leaders and encouraged them to give everything a go and not turn down opportunities. James spoke to the Leaders about being accountable for your own actions and from that things will gel as a group and the trust in the abilities of each player will cause the team to gel. He also spoke of the importance of not putting others down. James learnt at intermediate that Hockey was his passion. James was a great, inspiring speaker and we would like to thank Steven Lydiard for taking the initiative to organise James coming to our school.
