Tena koutou e te whanau, mihi nui ki a koutou katoa.

Dear Parents and Caregivers,

2016 AIMS (Association of Intermediate Schools) GAMES:

This year Marina View School sent a hockey team to Tauranga to compete in the mixed 6 aside tournament. Over 9,000 Year 7&8 students from all over New Zealand, Australia and the Pacific Islands descended on Mt Maunganui/Tauranga from the 4th—9th September, to compete in a wide range of sports. The week began with an opening ceremony, which included motivational speeches from recently returned Olympians. Our hockey team played 8 games during the week, winning 6, losing 1, and drawing 1 match. We ended up finishing in 17th place (1st in the B grade), out of 39 teams. The team would like to thank Matthews Plumbing and Gasfitting Ltd for sponsoring their hoodies, parents and grandparents who provided transport and support during the week, and in particular, Pele Harding—our very hard working Manager. A great week to be part of. Robin Lydiard and Rhonda Sowter

AIMS Hockey team

EPRO8 FINALS Year 6: Marina View entered in a Year 5 & Year 6 team. Our Year 5 team called 'Science Alliance' made it to the Semi final competition. Our Year 6 team called the 'Four Fizzy Physicists' made it to the Auckland finals. The competition involved 1000 students and 50 schools to get to the final Auckland competition. The 'Four Fizzy Physicists' competed in the Grand final on Tuesday 20th September, and came 9th across all of Auckland. The students completed a range of science and engineering challenges with a variety of materials. Well done to both teams!

BOARD OF TRUSTEES... Ronald McDonald house.

On Thursday 8th September the BOT volunteered at Ronald McDonald House to cook for the families and children staying there. We designed our menu which consisted of hamburgers (beef, chicken and tofu patties to cater for all dietary needs), coleslaw and wedges, and apple crumble and ice cream for dessert. It was all homemade and very tasty. It was a wonderful and humbling experience for us to be able to do this for the families, and very much a privilege for us. Those who ate in the dining room on this night were so grateful, and we all got to hear some of the sad and very real stories that they are all living and experiencing. We also donated a number of games and toys for the children on behalf of Marina View School for which they were very appreciative. The children are holding a Wacky Hair and Mufti Day tomorrow—the last day of term, and the money raised will go to Ronald McDonald house as well. There is a very conscientious group of Year 7 and 8s who have been organising this, and we will personally take the donation to Ronald McDonald House in early Term 4. This is an incredible Foundation and one that we will continue to support as a Board of Trustees and school.

This article was in a flyer from the Well Foundation. The money raised by these girls was donated to them.

Super supporters – Marina View School

Marina View School in West Harbour surprised us with \$958 in July. Students Elaha Hassanian, Ayane Jimbo, Elissa Lim, Maya Trotman and Syeda Reza sold baking and handmade crafts to support babies at Waitakere Hospital. Their proceeds went towards a \$5,875 Cosytherm remote neonatal warming system which will keep newborn babies at the right temperature and is very important for a baby's development.

We are fundraising for two Cosytherms and this special donation completed funding for the first and started the second. Thanks to Marina View School and the girls for their fantastic fundraising work as part of their Home Learning Challenge.

Fundraising superstars from Room 27, back row L - R Elaha, Syeda, Maya, Ayane and front row, Elissa

Have a happy and safe holiday.

Kind Regards Maurice Young (Principal)
