Tena koutou e te whanau, he mihi nui ki a koutou katoa.

We have had a busy couple of weeks at Marina View.

Last week we were very fortunate to have the 'What Now' TV show visit our school and we had our Year 4—Year 8 children undertaking a range of fun activities (many of which contained the famous 'What Now' gunge). We really enjoyed hosting Tumehe and his team and look forward to seeing our school on the 'What Now' show in a couple of weeks.

Also last week our Year 7 and 8 students competed in the North West zone softball competition. It was a very successful event with our girls team coming 3rd and our boys team coming 2nd. This was a great result for both teams.

This week Team Tindall visited the SPCA (one of the charities they are studying as part of their Our voices are Powerful study).

Also this week Team Moore have been camping at Carey Park. The weather was very kind and everyone had a wonderful time at camp experiencing; abseiling, archery, canoeing, rock climbing, undertaking team building activities, confidence courses and a range of other activities. As always the camp concert was a highlight. It was a great few days for the children. Thanks to the teachers of team Moore and all the parents who assisted with camp. I am sure that the children will have happy memories of Camp Carey Park for many years to come.
