Triennial School Board of Trustee Elections

As you may be aware, the Triennial School Board of Trustee Election process will be conducted over the next few months. If you are eligible to vote in the Parent Representative Trustee Election, you will shortly receive a letter calling for parent representative nominations, and a Nomination form. If you have not received this letter by the last week of this term, and you believe you should be eligible to vote in the election, please contact the school.

Nominations are invited for the election of **five** parent representatives to the Board of Trustees. Nominations close at noon on **27 April 2010** and may be accompanied by a signed candidate's statement. Additional Nomination Forms can be obtained from the school office.

The voting roll will be open for inspection at the school and can be viewed during normal school hours. There will also be a list of candidates' names, as they come to hand, for inspection at the school.

Voting and Results of the Election

If the number of nominees is the same as, or less than, the number of vacancies then the nominees will be declared elected and no election will be required. If there are more nominations than vacancies for parent representatives, eligible voters will be posted voting papers and candidates' statements (where provided) on our about **2nd May 2010**.

If an election is required, the poll will close at 12 noon on **11 May 2010**. The highest polling candidates will be elected to the Board of Trustees. The results will be made available at the school and also published in the Western Leader newspaper.
