Tena koutou e te whanau, he mihi nui ki a koutou katoa.

It has been a great term at Marina View. I have been amazed just how enthused the children have been in undertaking all their scientific investigations and discoveries over the term. It is great to hear that there has also been lots of experimenting at home. Our Year 7 and 8 students held a mini science fair yesterday and today and the work presented was impressive.

Your child will be bringing their mid year report home at the end of next week. These reports give an indication of how your child is achieving in relation to year level expectations. At the end of the year we will be reporting on your child's achievements against the National Standards. The reports also outline next learning steps that will assist their development. The reports will also support the parent teacher and student interviews early next term where your child and their teacher will talk about the progress and areas for further development.

There is a Mufti Day, this Friday 25th June. The children are fundraising for the Westpac helicopter which is a very worthwhile cause. We look forward to seeing everyone in mufti and remember your gold coin.

I was privileged to dine out at Team Gillingham's Best in the West Restaurant on Tuesday afternoon. As part of their Options programme a group of our Year 7 and 8 students designed, prepared and served their parents a 3 course meal in the school hall. It was an impressive feast. All the children should be proud of the food, the presentation and the fantastic service.

At the end of the term Mrs Martelli will be taking maternity leave. Best wishes Nicola. Also at the end of term Mrs Annan will be leaving us to take up a Senior Teacher position at Helensville School. All the best Keryn, we will miss

you, and Helensville is a lucky school to have you join their team.

School finishes at 2.15 next Friday 2nd July, and resumes at 8.50 Monday July 19th. Have an enjoyable and well earned holiday everyone.

Regards Maurice Young
