Welcome back everyone to Term 3 at Marina View School.

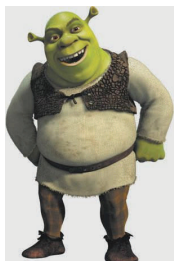

A special welcome to children and families who are new to our school. I am sure that you will have a wonderful time as part of our school community. Welcome also to Mrs Jones who will be teaching our New Entrant class in Room 1, Miss Southon who will be teaching in Room 27 and Mr Sheales who will be teaching in Room 27.

Congratulations to Mrs Martelli and Mr Barnard

Congratulations to Mrs Martelli on the birth of her new son Samuel, and Mr Barnard on the birth of his new daughter, Eden.

Looking Back To Look Forward

The school wide topic this term is 'Looking Back to Look Forward'. Students will be taking a closer look at aspects of our past and also inquiring into what may happen in the future. I look forward to seeing all the exciting activities that will take place over the term.

PTA Shrek Movie night

The PTA Shrek fundraiser last night was a great event with a big turnout of children and parents to view the latest of the Shrek Movies. Thanks everyone for such good support of the event, and thanks to the PTA for organising another wonderful event for the children.

Construction has begun on the new Gymnasium

Construction has just started on the new Gymnasium. We are excited that we have finally begun building for this project and look forward to watching the progress. We hope that the construction will be completed so that we have the new Gym all ready to go at the beginning of the 2011 school year. We apologise for any inconvenience due to the building and will work with the builders to ensure that it is kept to a minimum. We have talked with our children about safety around a construction site and would appreciate if you reinforce this at home.

Parent, Teacher and Student Conferences Next Thursday July 29th, we are holding our mid year Parent, Teacher and Student conferences. We look forward to seeing as many parents as possible. Our goal is to have a chance to talk to every parent about your children's progress and next learning steps. As part of the conferences we encourage children to participate in talking about their learning and the next steps. We look forward to seeing you next week.
