Building Programmes Around the School

The construction of the gymnasium is progressing well, even though the weather has not been kind to us. With some block work done and concrete poured it is starting to take shape. We look forward to seeing it 'grow' in the not too distant future. In addition to the gym we are currently having 4 relocatable classrooms delivered to the school. These classrooms will be used by some of our children at a later date when we will be undertaking some remedial work around the school. Later this year we will also be constructing a new classroom in the senior school and redeveloping the senior playground area.

Awataha Marae visits

Over the last couple of weeks a number of syndicates have visited Awataha Marae in Northcote. It has been a wonderful experience for all involved. This was the first Marae experience for many of our children. The children took part in a powhiri (welcome) and then participated in workshops that included weaving, exploration and explanation of the Marae, stick games and waiata. The tangata whenua of Awataha were most welcoming and everyone had a great time and learnt a lot.

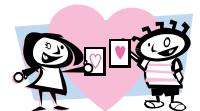

Calendars and Cards

Yes it's that time again!!! During the past weeks, the children have completed some beautiful art work, which is ready to be made into calendars and cards.

You are invited to come and look at your child's artwork in their classroom from:

3.00—3.30pm on Thursday 19th August
8.15—8.45 a.m. on Friday 20th August.

You may pick up an order form when you come to view the art work, or one will come home on Friday afternoon. **Orders will be taken, the following week and close on Friday 27th August.**

"2010 CROSS COUNTRY

The Marina View School annual cross country was a first-rate challenge. The windy course involved hills, as slippery as ice and corners that you had to be careful not to slip on them.

As a helper I got very muddy and nearly froze to death and my race was coming up fast. I had humungous butterflies in my stomach. Have you ever had those? If you did you know how I felt. There was a lot of jostling at the start but by the time we had reached the second corner, we were all stretched out like a rubberband.

After the race I lined up to get my name recorded because I came 4th. I was ecstatic because I could now go to Woodhill for the zones. Back in class we were all muddy and cold but I was really happy. For next year in the notice we should advise the parents to come in gumboots and with a raincoat or umbrella."
Tobias Blaser R20.

CROSS COUNTRY ZONES

A team of runners competed at the Cross Country Zones at Woodhill, with the following results:

- Y5s Claudia Sowter 14th
Jeremy Holyer 33rd
- Y6s Luke Jorgensen 6th
Claudia Bunge 14th
Liam Van der Boom 15th
Faye Maxlow 17th
Renae Sampson 19th
- Y7s Amanda Holyer 9th
- Y8s Julie Ellis 11th
Cody Mesias 23rd

A super effort from all on a really tough course! Mr Barnard

YEAR 7/8 BASKETBALL ZONES

After a disrupted build up due to weather and other activities taking place at Marina View, our Year 7/8 boys and girls Basketball teams travelled to Waitakere Stadium on Monday 16th August to compete in the Northwest Zone tournament. Our boys team played 5 games, winning 2 and losing 3. Our girls team played well throughout the day, losing to Hobsonville in a close final.
