Sally Andrews

It is with much sadness that we heard of Sally Andrews passing away last Saturday. Sally was both an amazing teacher and a wonderful caring person, who ensured that children had the best possible educational experiences while they were in her classroom. Our thoughts are with Murray and family at this time. Thanks to our parent community for your support at this time.

Team Matson's visit to Howick Village

The students in Team Matson had a great time visiting Howick Village to look at how life used to be in New Zealand.

Christchurch Earthquake

Our Mufti day raised \$2,226.00 which will be donated to the Red Cross. There was amazing generosity shown by all of our families. Thank you all for your fantastic support of the people in Christchurch. I am sure that they appreciate all the support they are receiving from around the country.

Team Moore's visit to Awataha Marae

Team Moore enjoyed the hospitality of Awataha Marae last week. They undertook a powhiri and a number of workshops that helped them gain a greater understanding of the people of Awataha and tikanga Maori (which included waiata, stick games, weaving and touring the Marae). It was a really positive experience for the children.

Visitors from Tauranga

Last week we also had a visit from teachers of Selwyn Ridge Primary School in Tauranga. It was great to host them and talk through ways to enhance the educational opportunities we offer our children.

Year 7 and 8 Options

Our Year 7 and 8 students undertake a wide range of activities as part of the options programme on Tuesday. They include cooking (this week making Rocky Road chocolates), Mosaics, Snowplanet, MVTV, photography and table tennis.

Next week we have Year Two Speech Finals on Wednesday at 9.30am, International Day on Thursday and school finishes for the term at 2.15pm on Friday.
