Dear Parents/Caregivers,

Welcome back to everyone for a very busy and exciting Term 4 at Marina View School. A special welcome to any new families who have joined our school this term, and to Mrs Bergin-Stuart who has returned to school after 7 months on maternity leave. It is wonderful to have you with us.

Mr Young has been visiting China with a group of school Principals during the holidays and returns this week. We look forward to hearing from Mr Young and seeing the photos of his visit to this amazing country.

Congratulations to all students and teachers for the very successful **International Day** in the final week of Term 3. It was great to see our students, and staff members, proudly wearing their national costumes and participating in a variety of activities to celebrate the different cultures that we have at Marina View School. Thanks to the parents for sending along wonderful shared lunches on the day.

This term's Integrated Study involves students being **Entrepreneurial** and **Creative** as they develop new products. Each team has a different focus for their study and we look forward to seeing the students exploring the technological process and developing their new and interesting products.

A special thanks this week to our parent community for their support on Tuesday when teachers attended the NZEI meetings. We appreciate your support.

Meredyth McFarlane Cara Bergin-Stuart

"SETTING UP A TELEVISION STUDIO in your school"

Mr Gover has worked with Curriculum Concepts to produce a book to help other schools run a television studio. He says it has been a very satisfying and rewarding project. The book (and DVD) will be on display in the school foyer if anyone is interested to have a look at it. Congratulations Mr Gover on a fine achievement!

AFTER SCHOOL CARE PROGRAMME

Our children that attend Kids K'nection after school care have been artistic in their creation for OSCAR (Out of School Care and Recreation) week. The surfboard mosaic (see picture below) that now stands proudly in the garden by the carpark, has been entered into the Outdoor Ornament section of the OSCAR competition. They are already winners because we love the amazing art work. Good luck on the competition though, I'm sure it will "catch the judges eye".

THANK YOU'S & CONGRATULATIONS

Thank you to Joanne Rose for the donation of beautiful books to the library.
