Dear Parents/Caregivers,

Best Wishes to the people of Christchurch

Firstly, and most importantly, I would like to on behalf of the school community express our best wishes and support to the people of Christchurch. I cannot begin to imagine what they are going through, but I do know that they are a resilient bunch and they will overcome the sadness and devastation in time. To those of you in our community who have family, whanau and friends in Christchurch our thoughts are with you also.

Next **Friday, March 4th**, our school, along with many other Auckland schools, will be holding a '**Red and Black**' mufti day to raise funds for the people of Christchurch. It will be a great way for us to show our support for the people of Canterbury.

Gymnasium Opening

On Thursday we had our official opening of the new Gymnasium. We are pleased to say that the gym is looking fantastic and I am sure that it will be a facility that will serve our school and our community well for many years to come.

Team Barnard Camp

Earlier this week the children of Team Barnard had a great few days at Camp Carey Park in the Henderson Valley. The children had a wonderful time undertaking a wide range of activities that were fun, challenging and confidence building. Thanks to Kyle Barnard, Nicole Fenner and Michelle Hayden for their efforts organising the camp and for all the parents who gave their time to support us and the children. School camps always give children special memories and I am sure that they will take many from this one.

Yang Jin Elementary School visit

Last week and this we were pleased to host the children from Yang Jin Elementary School in Seoul, Korea. Yang Jin is our sister school and this is now the second visit we have received from them. Thanks to all of the families who billeted the children from Yang Jin. Your generosity is greatly appreciated and your hosting was fabulous. The children had a wonderful experience at our school and getting to see the city of Auckland.

We look forward now to visiting Yang Jin, in Seoul, with a group of our children at the end of this term. I am sure we will have a great time in Korea.

Have a wonderful weekend with your families and just enjoy being together.

Regards - Maurice Young
