Dear Parents/Caregivers,

Year 7 Activity Week and Year 8 Camp

What an amazing week of action on adventure, both at school, Rangitoto Island, and at Totara Springs in Matamata. The children had a fabulous time and faced many new and exciting challenges which they managed to overcome. New friendships were forged between children, adults, and very tired teachers. Students and parents returned to school and looked forward to a restful weekend. Congratulations to Team Gillingham for a fantastic EOTC programme and thanks to the teachers and parents for all your hard work and support for the week. We appreciate your contributions.

Junior Athletics Sports

A very successful Athletics sports were held last Friday on the bottom field. The weather was so kind to us and the children all participated with great enthusiasm in both track and field events. Thanks to the PTA for their cake and coffee stall. This was very popular and raised money for current school fundraising activities.

End of Term 1: Friday 15th at 2.15pm

It is hard to believe that we are at the end of a very productive and highly successful term already. We appreciate the support of parents and the wider community in many of the special activities that have taken place at Marina View in Term 1, and we thank you for your valuable contributions.

Have a wonderful holiday and we look forward to seeing you all at the beginning of Term 2, Monday 2nd May.
