Dear Parents/Caregivers,

Team Tindall Visit Corban's Art Centre

The Classes in Team Tindall had a wonderful experience at Corban's Art Centre looking at the work of local artists. It was a hands on experience for the children and they made some amazing masks.

Boys win Soccer

Yesterday our Year 7 and 8 boys won the North West Cluster Soccer Tournament. They had a tight semi Final against Lincoln Heights which they won in an exciting penalty shoot out and a close final with Hobsonville School which they won 1-0. Well done boys! We look forward to hearing the result of the girls' tournament today.

Team Gillingham visit MOTAT

As part of their study of 'How Things Work', Team Gillingham visited MOTAT to look at the development of transport technology over time. It is surprising how much technology has progressed over time (and the rate of change is getting faster all the time!). It will be interesting to think of what our forms of transport will look like in another 50 years.

New Senior Playground

Thanks to the wonderful efforts of the PTA, and support from the Waitakere Licensing Trust, we will be replacing our old Senior Playground (that has lasted us a good number of years). When we install the playground we will also be redeveloping and enhancing the surrounding area.

Disco tomorrow night

Remember that tonight is another of our great school discos. The theme for the disco is 'Crazy Colour Night'. The Juniors Disco is from 6.00—7.15pm and the Seniors disco is 7.30—8.45pm.

On Tuesday this week our pupils took part in the 'Jump Rope for Heart' skipping programme. All day long we had classes skipping in the Gym, and out on the front courts. The children were asked to bring a gold coin donation, and we have raised \$800.00 for the Heart Foundation. Well done everyone!
