Dear Parents and Caregivers,

### Welcome back to Term 4:

Welcome back everyone. I hope that you all had great holidays. Welcome also to any new members of the Marina View School community. I am still smiling from the fantastic Rugby World Cup tournament and our team's amazing effort (although I think the final aged me about ten years!).

This term the context for learning is 'Hauora' - (Well Being). Syndicate teams will be investigating this context in various ways and it will be supported by the Keeping Ourselves Safe programmes running in classrooms.

**Marina View School Magazine:** The children have been compiling a school magazine to show the exciting things that they have been working on during the year. This is a wonderful record of your child's year at Marina View School, and we are sure that you will all enjoy reading it. A separate notice/order form has gone home this week, if you would like to purchase the magazine at \$14.00.

**ULearn Conference:** During the school holidays Colin Gover took our MVTV crew to Rotorua. The crew were presenting 3 workshops to delegates over the course of the ULearn Conference. The children were outstanding and represented Marina View School very well, with all workshops proving very popular. Our children were at the same conference in 2010, and were so successful, that they were asked to present workshops again this year. A credit to all involved.

### APPA School Choir Festival:

Once again, we are participating in this wonderful event, with both our Orchestra performing on 9th November, and our Choir performing on 15th November. Mrs Sinclair has been working very hard with our groups, with the Choir having already attended practice sessions with other combined schools. We look forward to very enjoyable performances once again this year.

### Keeping Ourselves Safe (KOS):

Thank you for all the parents who attended our Parent Information Evening on Monday. The children are currently working through this programme.

Kind Regards  
Maurice Young  
Principal
