Dear Parents and Caregivers,

2011 has flown by, it has been another great year at Marina View School, full of fun, activity, challenge and growth.

I would like to take this opportunity to say well done to all of our children. You have worked very hard throughout the year. You have tried to do your best at all times and you have impressed your teachers and your parents with your efforts and achievements. We are all very proud of you. Have a well earned holiday over Christmas.

Thanks parents and families for your amazing support to the school over the year. We are blessed with a caring and supportive community and this has enabled us to realise the educational goals we have for your children. We really appreciate such a positive partnership between home and school.

Thanks to our wonderful teachers for the stimulating programmes you have presented to our children and for the individual care you have taken with each child in your class. Thanks also to our Board of Trustees and PTA for all your efforts over the year. Your positive guidance and support ensures that our school goes from strength to strength.

Best wishes to the children leaving at the end of 2011. We have loved having each and every one of you at Marina View School. I hope that you all leave our school with fond memories of your friends, your teachers and the wonderful experiences that you have had while you have been here. Make sure that you keep in touch and let us know of your achievements as the years go by. I am sure that there will be many.
