Dear Parents/Caregivers,

Our Integrated Learning context for term 4 **"I will Survive"** is well underway. Over the last couple of weeks we have had Everyday Theatre visit the school to talk to students about keeping ourselves safe (and where to go for assistance), classes are growing vegetables, children are learning 'Cool School' peer mediation skills and Police Education Officer 'Constable Luke' has visited school to talk to children about road safety.

Today and tomorrow we are fortunate to have some Waitakere soccer players come to our school to take coaching skills sessions with our students. The children are really enjoying the sessions.

We are also currently undertaking assessment of children's achievement in literacy and numeracy to look at the progress children have made throughout the year.

Now that we are finally starting to have some warmer summer weather (although it is still erratic), please ensure that all children come to school with a Marina View School hat or cap. This is part of our school's **Sunsafe** procedure and all children are expected to wear a hat if they are out in the sun.

Thank you to all the people who responded to our uniform questionnaire. We are currently collating all the responses and will let you know as to the outcomes when this is completed.

I would like to congratulate Marian Sinclair for winning the Variety Club Artist of the Year. This is another fantastic accomplishment by Marian.

Tomorrow night we are having a number of our children performing in a music concert in our hall from 5.00-6.30pm.

The groups performing include; the orchestra, Jump Jam teams, our GATE music group, the junior choir and some special individual performances. It will be a wonderful event.

Preparing for the music concert

Constable Luke showing our classes the workings of the Police vehicle... siren and all!!!
