Dear Parents and Guardians

Welcome everyone to the 2010 school year.

What a wonderful summer it has been. I hope that the holidays were relaxing and enjoyable family times for you all. It is great to see all the children's smiling faces back at school and hearing about the things they have been doing over the holidays.

Welcome to the families and children who are new to our school in 2010. I am sure that you will have a wonderful time at Marina View School and I look forward to meeting you during the year.

There is already a positive and purposeful feel with a buzz of activity and excitement about the term ahead throughout the school. The topic this term 'Our Voices Are Powerful' will give our children lots of rich opportunities and experiences to develop as active learners.

The introduction of National Standards for Primary School children has featured in the news lately. While there is considerable debate in the media about the impact of the standards, our current teaching, assessment and reporting processes ensure that we are well prepared for the introduction of the standards. In fact it will be very much 'business as usual' at Marina View.

Again, a warm welcome to 2010 at Marina View School. It will be a great year of learning; filled with excitement, challenge and fun.

Kind Regards

Maurice Young
