

# MVS STUDENT VOICE

## WELCOME FROM THE EDITORS

Kia ora, and welcome back to another issue of the MVS student voice. We are up to our third issue and are actively looking for items to add in our What's Up segments and our Art of the week segment. We have also included a new segment on the intermediate cooking called What's Cooking? We hope you enjoy this issue of the MVS Student Voice.

- Zahin Bhuiyan & Cory Huddart, Editors of The MVS Student Voice

## WHAT'S UP?

The MVS Intermediate Leaders went to Te Manawa to find out more about the heart of our community. They learnt a lot about the new library and community center and they shared ideas for the future of the library and community center.

Room 23 & 24 have started a new type of classroom learning called SDL (Self Directed Learning). They get a checklist at the beginning of the week and they have to complete what's on it before the end of the week. They can choose when and how to do it. This helps us to be accountable for our learning and teaches us about time management. We want to make sure we are active learners and not passengers of our learning.

## QUOTE OF THE WEEK

“Never Regret Anything That Makes You Smile”

## ART OF THE WEEK

We would like to see your class's art and put it up on the newsletter so please email it to or [samantha.bunn@student.marinav.school.nz](mailto:samantha.bunn@student.marinav.school.nz) Or [holly.brock@student.marinav.school.nz](mailto:holly.brock@student.marinav.school.nz) to have your class's artwork posted up on here!

The Intermediate team is doing a wearable arts program for term 2! They are using old recycled things and then are turning them into clothes! We have enjoyed being hands on with our learning and using our creative lense to develop masterpieces from scratch.

## WRITERS FESTIVAL AT ASB

This was an awesome opportunity for our extension writers in the intermediate team. They were able to listen to different authors and find out ways they get inspiration and plan out their ideas. These students came back with some tips to bring into their classrooms and are now able to apply them to their own pieces of writing
